

The online marketplace for real estate

With more than 50,000 real estate objects, FREE!Immo is a highly regarded internet platform for real estate in the German-speaking world. We invite real estate agents, software producers and portal operators to use the FREE!Immo interface free of charge and to offer their customers access to a broad public via the FREE!Immo portal.

FREE!Immo – a platform for all and all real estate! The aim of the project is to present the visitor a large selection of private as well as commercial objects on an Internet platform free of charge.

If you have questions, a member of the FREE!Immo service team is pleased to help you with advice and practical support.
